The Faculty of Medicine in coordination with the Centre for Health Education Scholarship is providing opportunities for residents completing postgraduate training, and junior clinicians, to develop expertise in health profession teaching, educational scholarship and research.

The Program is designed to develop this expertise within the fellow's clinical discipline, and to provide capacity to their department and discipline in education.

Applications must be received by 5:00 p.m. (PST), Wednesday, December 31st 2008

Please find the enclosed brochures for further information. Please distribute the brochures to interested faculty of senior residents.

Yours sincerely,

A handwritten signature in black ink that reads 'Joanna Bates'.

Dr. Joanna Bates, MDCM, CCFP, FCFP
Director CHES
